

FIMM General Assembly 2024 Zurich Switzerland

How to get from the RADISSON Zurich Hotel Airport to Downtown Zurich ?

We recommend the use of public transport:

- Step 1:** Take the hotel shuttle bus to get from the RADISSON Hotel to the nearby airport.
The shuttle bus must be ordered 1 hour before departure at the hotel reception, costs 8.00 Swiss francs. Travel time approx. 12 min.
(The return journey from the airport does not have to be ordered and is free of charge).
Please note the timetable of the shuttle service.
- Step 2:** At the hotel reception you will receive a free day pass (forth and back included) for all public transport around Zurich (railway, tram, bus etc.), keyword: "FIMM". You must validate this pass once at the airport railway station on the platform of the departing train at one of the relevant validation stations. Show your ticket if asked by ticket inspectors.
- Step 3:** Use the schedule below to get from the Airport Railway Station to the Zurich Main Station which is located in Zurich down town.
